CSL Connected

ARC CONNECTION

CSL Connected allows you to connect your Pyronix HomeControl+ or EURO 46 APP panel to any ARC listed overleaf. Communication can be made in Fast Format, Contact ID or SIA. Please note that CSL Connected must be installed with a compatible Pyronix panel (V2.1 and up).

SIGN UP TO AN ARC

Within the Communications Menu of the Pyronix HomeControl+ or EURO 46 APP panel, please ensure you sign up to an ARC and enter the relevant 5 digit ARC code (see overleaf). Once connected the Diagnostics Menu will give details of the ARC and polling status. Please refer to the panel manual for detailed programming instructions.

ACCESS THE APP

CSL Connected also allows you to access the Pyronix HomeControl+ App. For programming instructions please refer to the Pyronix instruction manuals provided.
